Comments

“ Lana and Andre I would like to send my condolences for the loss of your child, he was such a happy child, he brought a ray of sunshine to the neighborhood. You never knew this but my memory of him is riding his bike past our house and I would be doing yardwork and he would say to me, "Hi Mrs. Devine how does it feel to be so awesome." Then I would say, "I'm not so awesome just a mom but thank you Jesse." I could not even imagine losing a child and I am praying for you both and all of your family during this time....Lots of Love Always..Linda Devine
