Sarah lived life to the fullest even when presented with life’s challenges. She was soft-spoken, kind and compassionate. She had a passion for daisies and her pets, Obi, Nana, Cam and Davey(formerly known as Daisy). She loved driving her VW Beetle, kayaking at the family cabin in Vermont, shopping with Emily at IKEA, enjoying a nice rare steak and frites with Mark, playing Monopoly with Spencer and Patrick, and sharing cannoli cake with family and friends at every birthday. Sarah’s family would like to thank the physicians and staff at Sr. Caritas Cancer Center, especially her nurse Lisa who shared her difficult journey and was only a phone call away. Nick and Cheryl of Beacon Hospice were most supportive in these final days. Rae was our rock. A celebration of

Sarah's life will be held when it is once again safe to do so, at which time her remains will be buried next to the grandparents she never knew, at Agawam Center Cemetery. Sarah would want you to remember her by planting a daisy in your garden next spring.
