“ My sincerest sympathies to the Anthony family. I'll always remember Steve as the grill meister and best tour guide on his pontoon boat up at Otis. So many great memories of working with him as one funny bartender and just hanging out. I always loved it when he would tell the story of going to Boston with my father, and I think he knew that! Rest In Peace, my friend, you will be missed....

“ Steve was one of the crankiet, funny, kind, friendly, smartest gentleman I've ever had the pleasure of working with. He saved my butt numerous times helping me with design issues. My thoughts and prayers go out both his family and the Sterling family. He will be missed. No more pain.....
