“ Alan was my brother in laws father. I had only met him once but what an honor it was. Seeing the style, respect and honor of a father that looks at his family the way I recognized was my privilege. I wish you only the most amazing after life as if you were still with us. God Bless Alan!

Alan was my cousin. One of my favorite memories was a summer family reunion at Alan's house. I have a picture of all of us on his front porch and yard. Alan was a really caring guy. I trust that he is enjoying Eternal Life.
