“ My deepest sympathy from the Gadbois family, who knew and worked with AI for many years. My father was the General Manager of Eastern Etching and spoke highly of AI and had great respect for him. Jack Gadbois

“ Allan met my husband Carl Moses when he had a total laryngectomy. DR Jacobs asked my husband to talk to him about getting a TEP prosthesis to help with talking. They became great friends,going to breakfast often.He called immediately when my husband passed and called often to see how I was doing. He was a wonderful friend,and I am grateful to have known him.

My sincere sympathy and condolences to the family. I'm sure both He and my husband will be happy to see each other in heaven.RIP
