“ My memory of Cynthia was at all the Cyran family functions. She always had that hearty laugh. If not the laugh, there was always the "smile". She was never down. And whenever you were talking to her, no matter what type of mood you were in, after a conversation with Cynthia you would always end up smiling. Although now our family functions have dwindled, I remember them all. And when friends would see us together they would always think we were sisters. And I always felt honored when that happened. You will truly be missed. Thank you for all the laughs & tears that we shared. Be at peace now. And watch over Lori & John & your grandchildren. They will need you to get through the rough road ahead.
I love you RIP
