“ My cousin David was an achiever. From his graduation from the Culinary Institute of America he went on to head gourmet restaurants in Dallas, Tulsa and then back home at Bernie's. I was so proud of his culinary achievements. But where his talents were revealed to me was at home when he would prepare feasts for the family. I will treasure my memories spent around the dinner table with David. He was few of words but his love came through the the meals mastered. I will miss him, may he rest in peace.

I am so sorry to hear of my cousin David's passing. He was a quiet man with a wry sense of humor who enjoyed books and 1,000 and 2,000 piece puzzles, and was an accomplished chef. He loved spending time with River, his sister's dog. If there was a store that allowed pets, he would take River shopping with him. And I believe that River enjoyed every minute. May be reunited with his dad and cousin Michael who passed before him so they can continue many of the conversations they weren't able to finish. Rest in Peace, David. With Love, Cousin, Joan
