“ *Dennis was always a pleasure to see when he came to fix our Pyxis machines and medication packager in the pharmacy department at Baystate. I loved hearing updates about his grandkids every time he'd be working with us. Such a nice person, he would always ask about my kids. You will be surely missed at Baystate, Dennis! Sending my deepest condolences to his family.*

“ Until now I can't believe he's gone as it's really so sudden. He picked up Brooks for school and just saw him lovingly assisting Brooks to sit on his car for two consecutive mornings and the next day he passed away. My heart melt just thinking that his grandchildren Brooks, Gabby and Amelia will not see him anymore. Our deepest condolences and praying for peace and comfort at this difficult time for the whole family. May Dennis soul be at peace with our Heavenly Father 🙏

“ I was saddened by the news of Dennis's passing. Dennis was always a really good guy. Whatever he did, he usually excelled at it. I have so many funny memories of Dennis and Marc always competing. From playing pool to bowling. No matter how good Marc did, Dennis upped him and won. Next was the teasing and allot of laughs. That's what big brothers do. My prayers and condolences go out to all of the family. Etheleen, Joe, Kim and Marc I am so sorry for your loss.
