“ *Many years ago, Dian (my cousin) and I got to spend a weekend on our Uncle Charlie and Aunt Melanie's farm. Our Uncle and Aunt were so very special to our whole family and us getting to spend this quality time with them meant everything. It was a very special time for all of us. Dian came away definitely not wanting anything to do with farm life. I thought farm life and all those cats that were left on their property that they took in just the "cats meow". Dian was a very independant and strong woman. Debbie, my heart goes out to you. Please know you are loved. Sandi (Polchlopek)*
