“ My heart goes out to Cathy and Son and Family during this difficult time . Remembering The beauty of a memory Is that it's always there, Like a penny in your pocket, You can take it anywhere and when your heart is heavy and your eyes are filled with tears. You can focus on a memory and travel through the years your heart can visit happy times When laughter filled the air, and the presence of loved one will lessen your despair So as you travel on in life take comfort as you go, In a lifetime of “ Sweet Memories of one who loved you so “.
