“ Donna was such a kind and compassionate lead in the claims department at HNE. She had perfected her craft and shared her knowledge with so many of us. I will always remember her “stay warm!”, “stay dry!” or “stay cool!” with a smiley face weather messages. She was funny, calm, so smart and very easy to work with. I’m grateful that our paths crossed and I will always remember her. Heaven has truly gained a special one. I am so very sorry for your loss. May you always feel surrounded by her eternal love.
