“ I knew Eric real good over our years of friendship. Great guy. He sure loved his family and friends. His dog and for sure cars. I'll always miss you my friend.

“ Darlene, I remember meeting this handsome man when we went to see his daughter Kaydence when she was 5 months old, and we gave him a small television. He was so polite and courteous, thankful as well. I will always cherish his memory and may he rest in peace with the angels forever. I pray now that God will strengthen you and give you peace, as you firmly rely on God.
