

Galina Titar

July 28, 1954 - August 24, 2023

Galina Titar, was born on July 28, 1954 in Russia and passed away peacefully on August 24th, 2023 surrounded by family and relatives in West Springfield, MA. She lived a full life constantly taking care of others, be it as a dispatcher for buses in Russia or a Home Health Aide here in United States. Eventually she went on to become a Family Based Living Care Provider where she opened up her home to disabled individuals. Galina was an angel here on earth and God made her an angel in heaven. There is no doubt that she is taking care of others there too. The most important thing is that she is with Jesus. One of her final wishes on this earth was to never see her children pass before she did, because she wanted to be the one to greet them in heaven and show them around. She will be greatly missed and most certainly never forgotten, for she touched the lives of countless people on this earth and still continues to do so with her memory. Before her passing, she recited the Lord's prayer and he took her home. She will be forever loved and remembered as a kind soul. She is survived by her loving husband, Victor, and her two daughters Yelena & Katya and her son Mikhail. She will be greatly missed by all. Church services for Galina will be held on Sunday, August 27th, from 6-8PM and Monday, August 28th, from 10-11AM at Slavic Pentecostal Church, 22 Pleasant St, West Springfield. Burial will follow in Agawam Center Cemetery.

“ Galina certainly was an angel on this earth..the care she and her family gave my sister in her last days were beyond my expectations.. always an open door when I wanted to visit and the care she got was above and beyond..Sheila really was blessed to have Galina in her life.. I know she is now an angel in heaven because she was one of the best angels on earth..May she rest in peace with Sheila..my thoughts and prayers are with all of you...
