Tribute Wall

“ *Though my time with Greg was limited, I will never forget TJ Pascale's birthday party way back in 3rd grade. Greg, TJ, myself, and a group of friends from school went and saw Cars in the movie theater at the Eastfield Mall. That same night we were all doing silly dares on each other, trying not to laugh and wake everyone up.*

My heart goes out to to Greg's family and close friends. May he rest blissfully, and smile upon us.
