“ *My dear Auntie Jean, you were a truly amazing lady, despite struggling with pain and illness, you would always make time to offer words of love, support and encouragement, commenting on the many facebook posts of all your nieces, nephews and great nieces and nephews from across the oceans, as well as always being there for all your friends, family and your own lovely children and grandchildren, you had so much endless love to spread around for so many people. That love lives on in the people you leave behind, you will be missed so much by so many. You were beautiful, brave, strong and a true inspiration to us all. Sleep well special lady*

“ My lovely lovely aunt. The many happy FaceTime with my mum and yourself where you chatted, joked and often sang songs together. We had such good times and you made me laugh so often. Always greeting me with "Hi my honey" and ending with telling me you loved me, with a smile. A truly special lady. My heart goes out to all the family who will miss you so much. With all my love, Moira

“ To my beautiful aunt. I could always pick up the phone and talk to you and we used to joke about meeting for coffee unfortunately the Atlantic Ocean was in the way. You have taken a piece of my heart but you left memories that I will cherish always. Rest easy my special aunt.

“ My sweet, sweet AJ - the best aunt anyone could hope for (even if you made me and Mike stand in the corner of the Rhode Island house for teasing Audrey). I will miss you at all of the family events, but please give heavenly hugs to my dad and babci and dziadziu.
