“ Aunt Jeanne....my 2nd mom. You will be missed, but thought of often. I have so many memories of my childhood days with you....as I am running upstairs and you being on the porch and saying "hurry your mom wants you". The memories of being an adult and stopping in to say HI after a day of work, again on my way upstairs. My condolences to Lorraine and Paul and their families. With all my love.....your niece.. Alice (Daigle) Decoteau and husband Bob
