“ *Jeanne and I attended Glenwood Elementary School together. After many years apart, we reconnected in 2016. I only wish we had done so much earlier. Jeanne, you will always be in my mind and my heart. Thank you for being my good friend.*

“ *I went to Glenwood School , Van Sickle, and Commerce High with Jeanne. She was such a beautiful friend. I just found her at our 50th anniversary November 2015. She looked great and was so happy that she had beat the cancer again. Peace and love in heaven Jeanne. You will be missed.*

“ So many memories....we met at The High School of Commerce. Joined Alpha Delta Kappa society and did lots of things with our society sisters. (Remember a weekend at Hampton Beach). We were together for a lot of major events in our lives. We lost track of each other but reconnected a few years ago. We had opportunity to talk about our past and catch up on our lives today. We went to our high school reunion together. I was so sad to hear of her passing today. She was a great friend and I will miss her.
