“ Hi uncle Joe, I'm so sad that you're gone from this world. I will miss our long morning talks about life, they always meant so much to me and you were so easy to talk to. You were so funny and full of life- and then could be so dramatic 😊 at other times. You gave anything you had for the people you loved, that's a rarity that definitely doesn't go unnoticed. That's gotta automatically qualify you for "the good place"! I know you're with mom and gram now so how can that be bad? Maybe you could pull some strings for me up there and visit now and again and I'll watch out for Casey and Paxton for you. I wish with all my heart it didn't have to be this way but I know I will see you again. I love you very much.
