“*Jac, Bonnie and Urszula, We are so sorry for your loss and regret our in ability to attend the Mass honoring your Mom and her passing. Our thoughts and prayers are with you at this very difficult time. As neighbors we have so very much enjoyed our many greetings and chats with each of you on your visits to care for your mother. And through the many years that we have been neighbors to us it is as if we too have lost a family member in your Mom as she brought all of you to us. We are deeply saddened for your loss but joyous for what your Mom brought us in each of you. We truly have been blessed and want you to know how very much we will miss those brief gatherings and conversations that we would not have ever had opportunity for without your Mother living in the neighborhood. You are a very special family. Our deepest and kindest condolences go out to all of you as you mourn the loss of your mother. Sincerely, Joe, Michael & Ruth*
