“*Laura was someone I’ll always remember as endlessly dedicated. I had the privilege of working with her at Trinity Health Of New England, where she managed enrollment and behavioral health at the time. No matter the countless responsibilities she carried, she never hesitated to take on whatever was needed. One thing I especially remember is that she always picked up the phone — always available, always helping. She was a truly strong leader who made a lasting impression, and I very much enjoyed working with her. Laura was one of those people with such a wealth of knowledge that I often said Trinity would be lost without her.*

“*I am so grateful to have had the opportunity to work for her. Laura was not only a great leader, she was also an incredible teacher and Mentor. I learned so much during my time with her, lessons that will stay with me throughout my career. She had a heart of Gold. I will always remember her hearty laugh that could fill the office and bring a smile to everyone around her. I will truly miss her. My deepest condolences to her husband Alan and to her family. May God guide you through this difficult time. Rest Easy Laura.*
