“ To Margaret's Family - I knew Margaret only as a teacher and what a teacher she was! How grateful I am that I took her poetry writing class at STCC back in the 1990's. She helped me develop my voice, encouraged me and taught me how to dig deep to find the words I didn't even know I had in me. She lives on through the lives of the people she taught! Thank you, Margaret for encouraging me to write! Jeanne Douillard
