“ I have many fond memories at Babcia house as a child. She was like a 2nd grandmother to me. I loved going to her house with Diane and playing hide and go seek in her large homey house. She always made sure our tummy's were filled as there was never a shortage of food. We would pick berries of her trees and thought it was so cool to eat fresh berries. I will miss you Babcia. May you rest in peace love you!!
