“ Michael was my first nephew; he made me an Aunt. I was the first to hold him when he came home from the hospital. I was 9 years old. He was friends with his Uncle Peter four years before we met. He lived next to my mother-in-law when we met and fell in love. He was such a great kid. We lost touch due to military life. I am so blessed to have reconnected with him. I will ALWAYS have fond memories of him. Our deepest condolences to his entire family.

“ One of my favorite memories with you dad was the first time we took the kids golfing 🏌️♂️ watching you teach Jay and Mia how to golf and watching you be able to give your knowledge of something you loved to them just like you did with me. Always a giver and you never wanted anything ❤️
