

Michael A. Mazur

November 9, 1978 - February 20, 2014

Michael A. Mazur, 35, passed away at his home on Thursday, February 20, 2014. Born November 9, 1978, beloved son of Joanne (Kumiega) Mazur and the late Henry Mazur Jr., he grew up in Chicopee before moving to his home in South Hadley. Mike was a mail carrier for the US Postal Service in Chicopee and a graduate of Chicopee High School, Class of 1997. All who knew Mike would agree that he was full of passion: his love of animals, his dedication to the Red Sox and 49ers and his peace in riding his Harley, "Pearl". Mike loved to fulfill his creativity and passions for Halloween and all things mystical, surreal and extraordinary by personal transformations. His persona reflected the style, nostalgia and music of many eras, especially the 50's and 60's. His presence will be truly missed by all who knew and loved him. Michael is survived by his loving mother and confidant, Joanne Mazur; his maternal grandmother, Ann Kumiega; cioci, Andrea Theriault and her husband Paul; uncle, Jim Kumiega and his wife Francine, all of Chicopee; aunt, Sandra Flower and her husband Wes; his dear friend, Patience Hartley; beloved cousins, friends and neighbors; and his devoted canine companion, Max. Funeral services for Michael will be held Thursday at 9:30am from the Kozikowski Funeral Home, 565 Front St., Chicopee, followed by a Mass of Christian Burial at 11am in Ste. Rose de Lima Church, 600 Grattan St., Chicopee. Burial will follow in St. Stanislaus Cemetery. Calling hours are Wednesday from 4 to 7pm. Memorial contributions may be made in Mike's honor to the Thomas J. O'Connor Animal Adoption Center, 627 Cottage St.,

“ *We (folks at Charlie's Garage in Chicopee) are all deeply saddened to learn of Mike's transition to the Other Side...We all first met Mike when he was a substitute Mailman, quickly winning our friendship that continued to the present.he would stop daily at the garage while delivering the mail and grab a soda in the heat of the summer or dry his wet boots & gloves on the wood stove in the cold harsh winter, always eager to talk and share the latest about his beloved Harley.. then off he'd go to finish the mail...God speed, Mike.. and RIP... You are loved and will be missed... Maura Kirkpatrick & Friends at Charlie's garage....*

“ Back when I first knew Mike, he did one of the "biggest" things any guy his age could do: he put his ego aside and was truly a friend, giving me and my boyfriend of the time a ride home to a whole different city after we'd been ditched at a party at UMASS. I won't go into WHY this required an ego put aside, but let's just say I've respected him as a kind-hearted mature person ever since. Most guys would not have done what he did that night. Mike: you were more than you ever knew. <3

“ I first met Mike only a few short years back based on our love for Harleys! I met my friend Wayne and 3 other guys that day. 2 were correctional officers just like Wayne and then there was Mike. I thank god for that day because I got to be friends with him and Dan and my now good friend Randy! I remember the ride up 91 where I wasn't keeping up with the pack as they wanted to go a wee bit faster than me! I still remember seeing Mikes cheeks flapping in the breeze as he went face into the wind with no shield or fairing. We all had a great time that day and even on the way home when I broke down was a time I will always remember. After that I would see Mike out and about on rides and he was always a stand up guy and I'm so glad I met him and was able to spend some time with him. I will miss you my friend and hope to see riding again at another place when we meet again. Godspeed Mike!

“ My memories of Mike span 30 years....from walking home from St. Stan's to picking up our caps and gowns at CHS to watching him and Max play with my son. I brought a cake for every birthday, which usually meant I got roped into some yard work....but mostly I will miss the luxury of seeing his truck in the driveway when he had a weekday off....I would come for breakfast (although it was closer to lunchtime)....most recently he made me fall in love with white chocolate coffee and white chocolate raspberry creamer. I will never come to terms with the fact that he can't call me anymore, but I know he will be with me always and one day we will meet again. <3
