“ Pat was what kept me alive at the Journal for yrs. She was a great friend, I even gave her my shoes one day because she loved them so much. She was always cheerful, caring and loving. Talked many times to her Mom while Pat was busy w/business and she went home to eat w/her parents everyday at lunch time. We had many phone conversations later on in years and lunches. I will never forget u Pat and thank u so very much for always being there for me. I will miss u. Linda Jo
