“ Hello, My name is Carlee and I knew Richard from our TikTok community of thousands. Richard was in our live streams every day and we were SOOOO blessed with his presence. He was so kind and would always say hi to anyone even when he didn't know them. We haven't heard from him in a while and I did some looking and found this and was heart broken but I am so thankful he is no longer suffering. Our community would love to be able to get in contact with the family and send them some of Richard's favorite items we made on the show. RICHARD BESTIE. WE LOVE YOU.
