“ Wczoraj rano opowiadałem mojej żonie, jak podczas imienin cioci Marysi chodziliśmy na "żwiry" pływać na pontonie a za parę godzin dowiedziałem się, że odszedłeś.
Tam gdzie jesteś, na pewno ryby będą brały cały czas...
Spoczywaj w pokoju Romek...

“ In loving memory of an amazing friend of the family.
Today, I want to take a moment to honor the memory of an extraordinary friend who brought so much joy and light into everyone around him. His passing has left a void that cannot be filled, but his impact will forever be etched in our hearts and cherished in our memories.
Because of him I found my home away from home. His family welcomed me in their home in Florida 23 years ago. Roman was the one who picked me up from the airport and thanks to him I'm living my American dream today.
Dear Roman, you may no longer be with us in person, but your spirit will always be alive in our memories and the love you brought into our lives. Rest in peace, knowing that your kindness and friendship will never be forgotten.
