“ Dear Wieslawa family,
It has been such an honor to know your beloved mother and grandmother. When I went through hard times , despite the fact that we knew each other very little , any time we met,, she made sure to greet me with love and care. It felt like I knew her for years and was close to her. During the Miss Polonia 🇵🇱 Competition, she made sure that all girls and moms were taken care and fed. Pani Wiesia left many beautiful memories for me that I will always cherish. I am very sorry for your loss. She definitely will be missed.
